Audible.com Armor is a 1984 science fiction novel by John Steakley. It's the distant future, and humanity is embroiled in a Bug War with the implacable, incomprehensible Ants. There's an epic Space Opera backdrop, but the story takes place among the little people at ground level, for whom their own high command also seem distant and incomprehensible. Armor (Literature) - TV Tropes Armor is, I believe, my favorite science fiction novel ever. It follows to basic plotlines -- one is the story of a desperate soldier fighting an impossible war, the other from the point of view of an ex-pirate escaped from prison who joined up with the wrong crew. The two plots do intertwine, but the plots aren't

the appeal of this novel. Armor read online free by John Steakley - Novel12 John Steakley (1951–2010) was an American author best known for his science fiction writing.
