fundamentals of architectural design but how people react within space and what design factors contribute to your understanding of the space. Amazon.co.uk:Customer reviews: Atmospheres: Architectural ... Atmospheres is a poetics of architecture and a window into Zumthor's personal sources of inspiration. In nine short, illustrated chapters framed as a process of self-observation, Zumthor describes what he has on his mind as he sets about creating the atmosphere of his buildings: images of spaces and buildings that affect him are every bit as important as particular pieces of music or books that inspire him.
