Advice Comprehensive car insurance. Comprehensive car insurance is the widest level of coverage available, including third party and third party, fire and theft, but also covering wider damage to your own vehicle. Some policies will also cover you to drive the cars of others - and sometimes hire cars - but usually only up to third party level. Car insurance explained - Which? If you have third party fire and theft or comprehensive motor insurance your insurer should cover

the cost of replacing your vehicle at its current market value. If you have guaranteed asset protection (GAP) insurance, your GAP policy will cover the difference between the original purchase price of your vehicle and its current market value. Written off or total loss vehicles | Motor insurance | ABI Before you can drive legally, you must first find a car insurance policy. The government constantly compares driver and vehicle records with a list of insured drivers provided by insurance providers to check for any discrepancy. Unless your car has been declared off the road through a Statutory off Road Notice (SORN), it must be taxed and insured.
