English First Additional Language  
Second English as an additional language (EAL) is a contemporary term (particularly in the United Kingdom and the rest of the European Union) for English as a second language (ESL): the use or study of the English language by non-native speakers in an English-speaking environment. The term English as an additional language acknowledges that students are already competent speakers of at least one home language. English As an Additional Language (EAL) - ThoughtCo Some children will learn to speak two languages from birth and other children may learn one language first and then a second language. It is important for

children and families to maintain the language /s they use at home. This supports communication in the family and a sense of identity and community. English as an additional language | PACEY Let's explore the differences: A first language is the mother tongue or native language of a person while a second language is a language a person learns in order to communicate with the native speaker of that language. The first language is like an instinct which is triggered by birth and developed with the experience of being exposed to it. Difference between a First Language & a Second Language first additional language policy and to oversee the development of an English literacy-training programme in the

person's second language, or L2, is a language that is not the native language (first language or L1) of the speaker, but is learned later (usually as a foreign language, but it can be another language used in the speaker's home country). A speaker's dominant language, which is the language a speaker uses most or is most comfortable with, is not necessarily the speaker's first language. Second language - Wikipedia Those who reported English (or Welsh in Wales) as their main language accounted for 92.3% of the population, except in London where proportion was much lower. Those who reported another main... Language - Office for National Statistics second language. n. 1. a language learned
