Fire In The East Warrior Fire in the East introduces us to Ballista, the long-haired barbarian from the north, an Angle, who has risen from dubious origins (to say the least) to be a commander of the Roman army. His mission is to fortify the city of Arete in Syria and hold it against the Persian King of Kings at all cost. Warrior of Rome I: Fire in the East: Amazon.co.uk ... Fire in the East is the story of Marcus Clodius Ballista, a Roman commander who is sent to the frontier with the aggressive Sassanid Persian Empire. He is to hold things together in the East while the Emperors deal with troubles along the Rhine and the Danube. If he dies in the process, well, too bad. As a German, he is expendable. The book starts slow.
