## Ground Zero A Zombie

Apocalypse To be honest I wasn't expecting a whole lot out of the story Ground Zero. The story started kinda slow, this zombie apocalypse was a result of terrorism. Jack Cutter the hero seemed more of an average person instead of a survivalist or former military person. He had very little confidence in his own abilities and wasn't a very good shot either. Apocalypse by Nicholas Ryan Given ARC for an honest review. Definitely not my normal reading material, but thought I would give it a try. I'm not a fan of blood and gore, but once I got started reading, due to the storyline being so well written, I had a hard time putting the book down.
