Service Manual (45 pages) Summary of Contents for Kendro HERACell 150. Page 1 Operating Instructions incubator HERACell ® with decontamination routine ... KENDRO HERACELL 150 OPERATING INSTRUCTIONS MANUAL Pdf ... Heraeus Function Line drying ovens with air circulation are designed for high performance drying and thermal processes that require increased fresh air supply, short process and heat-up times, and precise heat control to 250 °C. † Three oven sizes There are three space-saving oven sizes to choose from: 60, 110 and 200 l. Thermo Scientific Heraeus Heating and Drying Ovens From simulation to solution The oven size can be adjusted to the product and the process. Numerical simulation in the design phase

makes the heat process especially energy-efficient. To achieve a maximum product temperature of 900°C, a MAX oven needs less than ten minutes, and it can cool down in less than ten minutes as well. Industrial infrared heating oven - Heraeus Disinfection of objects is an important topic - especially for high touch areas. Heraeus Noblelight developed two new products: the "Handheld Disinfection System" and the "Disinfection Chamber" for dry, highly efficient and chemical-free disinfection of surfaces and air. Heraeus Group Heraeus Electro-Nite - Your partner in measurement, monitoring and control of molten metal processes. Heraeus Electro-Nite has been at the forefront of sensor development, constantly expanding

and improving the range of measurements available, resulting in today's sophisticated, reliable and easy to use disposable and non-disposable probes and associated instrumentation. Heraeus Electro-Nite Fast, accurate, and reliable liquid metal temperature readings are indispensable tools for cost-effective temperature control during iron production. High performance expendable temperature sensors from Heraeus Electro-Nite offer a wide choice of thermocouple types, probe lengths, and immersion lances to suit all process applications. Temperature Control - Heraeus Thermo Scientific Heraeus centrifuges and their innovative rotors meet your processing needs—spanning protein and cell biology to

molecular biology and drug discovery to clinical research, and supporting labware from microplates and microtubes to large-capacity bottles. Heraeus Centrifuges | Thermo Fisher Scientific - UK Heraeus is a globally active technology group. Our ideas are focused on themes such as the environment, energy, health, mobility and industrial applications. To make it easier to search our diverse product portfolio, we have arranged our products in industries. Simply choose an industry and get an overview about the portfolio. Products and Solutions by industry - Heraeus this manual before putting the equipment into operation, and follow all instructions. Safe and reliable operation of the unit can only be guaranteed if the

necessary inspections, maintenance and repair work are carried out by Heraeus Service Department personnel or by personnel authorized by our company. Gas is to be supplied to each unit by means of a pressure reducer with the inlet pressure ...
