An ePub book is much more than just a book, it's a container. A container that can hold text, photos, video and audio. You can send emails and link to web sites from an ePub. iBooks - A User's Guide This was particularly true of the Bookshop Guide - which as a result of the dedication of its readership - became a more accurate and reliable resource than I ever dared

hope for. On the other hand, persuading more booksellers and in particular, bookshop keepers, to advertise remained an intractable problem. TheBookGuide - Inprint For those of you complaining about the lack of an index in the guide. In the guide, touch the very top of the screen above the text. A row of icons appear. Touch the hamburger icon. That's the one with three horizontal lines. Oh look, gasps in amazement it's the index. iPad User Guide on Apple Books Apple Books is the single destination for all the books you love, and the ones you're about to.
