Integumentary System. AP I Chapter 6- Skin and the Integumentary System 1. Define the following word parts. cut-skin kerat- horn dermat- skin melan- black epi- upon, after, in addition seb- grease follic- small bag 2. List the general functions of the skin? It is a protective covering, retards water loss, helps regulate body temperature, houses sensory receptors, synthesizes ... In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google

Books.
