For more than 100 years, ESJ has served researchers, teacher-educators, and practitioners interested in education in the elementary and middle grades. Over the years, articles appearing in ESJ have included high-quality studies of teaching and learning

processes, school ... The Elementary School Journal: Instructions for Authors In my third grade classroom, students write in journals every day for about 20 minutes. Each day, after read-aloud time, the kids go back to their desks, pull out their journals, and start writing! By writing every day, the students gain fluency while getting a chance to practice important punctuation, spelling, and style skills in context.

Free Computer Books: Every computer subject and programming language you can think of is represented here. Free books and textbooks, as well as extensive lecture notes, are available.
