Love A History Simon May At the outset of Love: A History, Kings College Professor of Philosophy Simon May states that he has three principal aims: (1) to show how love has become a surrogate for God in the modern era, (2) to outline the illusions of this substitution, particularly the idea that love is unconditional, and (3) to propose a new way of thinking about love unburdened by these illusions (p. 13). Love: A History: Amazon.co.uk: Simon May: 9780300118308: Books 'Simon May's Love is that rarest of achievements: scholarship as inspired illumination. Fluent, witty, humane, May explores Western concepts of love from the Torah to Romanticism and on to the "fascinating paradox" that the liberation of sex and marriage in our day coexists with retrograde, and at times destructive, notions of love.
