... Product Manuals - OMEGA How can I reset my Omega Petite security alarm? We had a power cut, which set off the alarm. The control panel wouldn't turn it off. When the power came back, we turned off and then on the circuit breaker. This stopped the alarm sounding, but the display was a red dot, none of the buttons worked. I have turned the power off and the outside siren sounded. I turned the power back on, outside ... How can I reset my Omega Petite security alarm? | Mend ... Omega petite - how do i disconnect it? I have an old Omega petite system and have just got home to find rapid, loud pips coming from control box, have entered code but it does nothing and display is just a dot, for now I have took off the control box
