A dense—and often deeply challenging read—this book of Ricoeur's Gifford Lectures, delivered at Edinburgh in 1986, is a stimulating examination of the role of personal identity and presents a brilliant insight into Ricoeur's own views on subjectivity and the hermeneutics of the self. Oneself as Another - The Gifford Lectures This is precisely the topic reconsidered by Paul Ricoeur in his both cryptic and brilliant study Oneself as Another. The title summarizes the thesis of the book: "the selfhood of oneself implies otherness to such an intimate degree that one cannot be thought of

without the other" (3). Tolle Lege: Oneself as Another In his 1986 Gifford Lectures (published as Oneself as Another, 1992) Ricoeur expanded this investigation to the broader question of what it is to be a self. This discussion was meant to reply to interpretations of the Cartesian cogito which either made it too strong (one can immediately be in touch with the self as certain of itself) or too weak (a merely abstract truth) or even said the self does not exist. While Ricoeur acknowledges the role of community in the constitution of the self, he never takes the explicit detour to the self through community. In a final detour to the self through community, the self can be glimpsed reflexively as the correlate of a community when ethical conflicts put the self and community at stake together.
