Ghost story books about the supernatural have been popular for hundreds of years, told around campfires and passed down from generation to generation. These tales of haunted houses, ghostly encounters, demonic possession, and more are spine-tingling reminders that there may be more to the world than you can see. In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because

the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.
