Although this book beats their 2nd grade Social Studies book by a

long shot, I just don't understand why these guys call themselves "core skills". The 'core' they are describing must be very poor, indeed. There is an ok amount of information in this book, but again, not really worth even it's low cost.

The time frame a book is available as a free download is shown on each download page, as well as a full description of the book and sometimes a link to the author's website.
