If your books aren't from those sources, you can still
copy them to your Kindle. To move the ebooks onto
your e-reader, connect it to your computer and copy
the files over. In most cases, once your computer
identifies the device, it will appear as another storage
drive. If the ebook is in the PDF format and you want to

read it on your computer, you'll need to have a free PDF reader installed on your computer before you can open and read the book.

.

tone lonely?
