Dictionary Hand gestures make people listen to you. Spencer Kelly, associate professor of Psychology and co-director of the Center for Language and Brain at Colgate University found that gestures make people pay attention to the acoustics of speech. Kelly said, "Gestures are not merely add-ons to language - they may actually be a fundamental part of it." 20 Hand Gestures You Should Be Using and Their Meaning We would like to know if anyone in the Deaf community would be interested in becoming a Sign Language Teacher. If we are successful with our funding application, we would like to train some new Sign Language Teachers so that we can continue to offer Sign Language Classes at Hands That
