The Blind Contessas New Machine The Blind Contessa's New Machine is the story of a young woman who is going blind. The novel pays meticulous attention to what she can and can not see painting for the reader lavish and sometime fanciful watercolors of words as the Contessa moves about both in the waking world and that of her dreams. The Blind Contessa's New Machine by Carey Wallace The Blind Contessa's New Machine has very little formal plot. Instead it describes 19th-century Contessa Carolina Fantoni's interior journey from a world of physical sensation that includes eyesight, to one that gradually eliminates eyesight and replaces it with other senses and with interior visions. New Machine. Written by Carey Wallace Review by Ann Pedtke. Eighteen-year-old Contessa Carolina Fantoni lives a charmed life. She has a wealthy family, a beautiful estate, and is about to marry the most eligible bachelor in the region. But just as her future seems to be falling into place, Carolina's sight begins to falter. The Blind Contessa's New Machine - Historical Novel Society Based on a true story, with the Contessa's typed letters verified in Michael Adler's 1973 nonfiction compilation of typewriter history, The Writing Machine, Carey's book creates the motivation behind the invention. The Blind Contessa's New Machine is a slim book you could slide into your pocket - lovely, romantic, and mostly true. The Blind Contessa's New Machine | The No Charge Book Bunch The Blind Contessa's New Machine follows the story of Carolina, the blind woman who inspired the creation of the first typewriter. The story is written from her perspective as she grows from child to woman, deals with matters of the heart, and struggles as the world turns dark around her. The story is good. The Blind Contessa's New Machine | History and Mystery " The Blind Contessa's New Machine is a delicate fable of loss, memory and most of all, the enduring legacy of self-sacrificing love.
