You can search Google Books for

any book or topic. In this case, let's

go with "Alice in Wonderland" since

it's a well-known book, and there's

probably a free eBook or two for

this title. The original work is in the

public domain, so most of the

variations are just with formatting

and the number of illustrations

included in the work. However, you

might also run into several copies

for sale, as reformatting the print

copy into an eBook still took some

work. Some of your search results

may also be related works with the

same title.
