Martin's THE DOLL is a delightfully creepy novelette and a must-read for any horror lover. Joyce Parker and her daughter journey to Mexico's Island of the Dolls. Martin The doll is an excellent size for a young child, looks appealing and is soft to cuddle. The doll comes with it's own toy which is a nice touch, my daughter liked this and found it funny. I think the doll is really good value and robust enough for toddler play. The doll is available in different skin tones.
