The First World War Hew Max Hastings, London Evening Standard. Synopsis. This is the first truly definitive history of the First World War, the war that has done most to shape the twentieth century. The first generation of its historians had access to only a limited range of sources, and their focus was primarily on military events. The First World War, Volume One: To Arms: Amazon.co.uk ... The popular view of the First World War is dominated by cliché. Young British soldiers, many of them budding poets, were led to early and ghastly deaths in muddy wastes by incompetent generals for reasons that were seemingly

futile. And although clichés are not necessarily lies, they are at best a selective view of the truth. The First World War: Amazon.co.uk: Strachan, Sir Hew ... Hew Strachan is one of the world's foremost experts on the Great War of 1914-18. His ongoing three-volume history of the conflict, the first of which was published in 2001, is likely to become the standard academic reference work: Max Hastings called it 'one of the most impressive books of modern history in a generation', while Richard Holmes hailed it as a 'towering achievement'. The First World War: Amazon.co.uk: Strachan, Hew ... The First World War was a truly global conflict from the start, with many of the most decisive battles fought in or directly affecting the Balkans,

Africa, and the Ottoman Empire. The First World War: Amazon.co.uk: Strachan, Hew, Chafer ... Sir Hew Francis Anthony Strachan (/ strɔːn / STRAWN), DL, FRSE, FRHistS, FBA (born 1 September 1949) is a British military historian, well known for his work on the administration of the British Army and the history of the First World War. Hew Strachan - Wikipedia The First World War was a truly global conflict from the start, with many of the most decisive battles fought in or directly affecting the Balkans, Africa, and the Ottoman Empire. Amazon.com: The First World War (9780143035183): Strachan ... The fact that the First World War was a global war was itself the product of a global order, shaped by the European great powers

and held together by an embryonic economic system. The title 'the world war' was a statement about its importance, not a statement about its geographical scale. The First World War as a global war: First World War ... The First World War (2003) is a ten-part Channel 4 documentary television series surveying the history of World War I (1914-1918). It is based on the 2003 book of the same name by Oxford history professor Hew Strachan. (Additionally, a tie-in book of participant letters and diaries — A War in Words (2003) by Svetlana Palmer and Sarah Wallis — was published for the series.) The First World War (TV series) - Wikipedia Hew Strachan has written an excellent history of the war that deals with how Germany and its

allies lost the war politically and militarily. According to Strachan, Germany lost the war politically because it did not have any civilian agencies for wartime concerns such as rations and the making of munitions. First World War: Strachan, Hew: 9780670032952: Books ... The inspiration behind the major Channel 4 series of the same name, to which Hew was chief consultant, THE FIRST WORLD WAR is a significant addition to the literature on this subject, taking as it does a uniquely global view of what is often misconceived as a prolonged skirmish on the Western Front. The First World War | Book by Hew Strachan | Official ... The Series is based upon the book written by Hew Strachan. It would have been helpful, and sensible, to

list the chapter headings from the book, so that the viewer (customer) can follow the history, and see which events of the First World War are described and illustrated in Disc One, and which are covered in Discs Two and Three.
