The Golden Fleece Robert Graves Robert Graves' book (retitled The Golden Fleece) is an argument for the historicity of the Argonauts' voyage, as Graves explains in the afterword. The result is a passable adventure story, with a somewhat two-dimensional portrait of human nature. The Golden Fleece by Robert Graves - Goodreads Along with I, Claudius, The Golden Fleece is considered one of Robert Graves's most exciting and transporting historical novels. The Golden Fleece was at one time the most sacred religious object of the ancient Greeks, and had been sent away as the result of a power struggle between the Greeks and earlier inhabitants of the Greek peninsula.
