The shadow government (cryptocracy, secret government, or invisible government) is a family of conspiracy theories based on the notion that real and actual political power resides not with publicly

elected representatives but with private individuals who are exercising power behind the scenes, beyond the scrutiny of democratic institutions. Shadow government (conspiracy) -

Wikipedia The protagonist used to be a modern Japanese kid who was fascinated by "powers in the shadows". To unpack this term: it is an amalgamation of being an anti-hero leading a secret society, hiding one's power and identity while living a normal life, and being absolutely over-powering and showing up at the nick of time when the "heroes" are in trouble.
