Read more reviews on my blog | Like me on Facebook Untouchable by Lindsay Delagair is the most unique and different type of romance novel that I have ever read. It is full of romance, crime, and suspense. Untouchable is a great novel that left me wanting for more. I would say it's a older Young Adult novel that has a touch of romance for older adults as well. The storyline is about 17 year

LibGen is a unique concept in the
category of eBooks, as this Russia
based website is actually a search
engine that helps you download
books and articles related to
science. It allows you to download
paywalled content for free including
PDF downloads for the stuff on
Elsevier's Science Direct website.
Even though the site continues to
face legal issues due to the pirated
access provided to books and
articles, the site is still functional
