I am trying to set up a livewire so that i can access the internet on a sony blu-ray player in another room. i think i am correct in plugging one unit into my modem and an outlet and the other unit into the an outlet and the blu-ray. Or does the 1st unit need to be plugged into the apple express wireless router that we use for our wifi? i am getting a blinking plc link light and a ...

"Buy" them like any other Google Book, except that you are buying them for no money. Note: Amazon often has the same promotions running for free eBooks, so if you prefer Kindle, search Amazon and check. If they're on sale in both the Amazon and Google Play bookstores, you could also download them both.
