You can search Google Books for any book or topic. In this case, let's go with  
"Alice in Wonderland" since it's a well-known book, and there's probably a free  
eBook or two for this title. The original work is in the public domain, so most of the  
variations are just with formatting and the number of illustrations included in the  
work. However, you might also run into several copies for sale, as reformatting the  
print copy into an eBook still took some work. Some of your search results may  
also be related works with the same title.
