## Z18xe Engine - shaperealestate.co.uk

The correct engine oil is important for proper performance, so i and a long durability and reliability of the car. The correct oil namely ensures smooth running of the engine. Oil creates between the mechanical parts of the layer and so prevents the parts to each other directly to spawn and opotřebovávali and protects the engine. In addition, the oil keeps the vehicle engine OPEL Astra 1.8

## Z18XE Oil filter housing | Vauxhall Corsa-C Forum

Oil is lost in one of two ways: either it is being burned, or it is leaking. In your case if the car is running OK I would not worry unless the oil bill is too high. As Brian H says (above), the norm is 10W-40 semi synth which will be very slightly thicker than the 10-30 you are using. Additionally, a lot depends on how you drive the car. My Z18XE chugs around quite sedately most of the time.
